**3 Bedrooms • 3.5 Bathrooms • 4-Car Garage • 4,101 ft<sup>2</sup> Living Area • 6,186 ft<sup>2</sup> Under Roof**

The St. Tropez, at 4,101 square feet, is designed for luxury and spaciousness. Enter through a grand foyer into an open living area with a 27' x 31' living room, dining space, and deluxe kitchen. This layout, enhanced by a tray ceiling and glass doors to a covered lanai, is perfect for entertaining. The private master suite features a luxurious bath and walk-in closet, while bedrooms two and three share a separate wing. With ICI Homes' flexible customization options, the St. Tropez can be personalized to suit your needs, from room layouts to elegant finishing touches.
